REDEEMER ROAR!

MARCH 2019

"This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another." 1 John 4:10-11 -

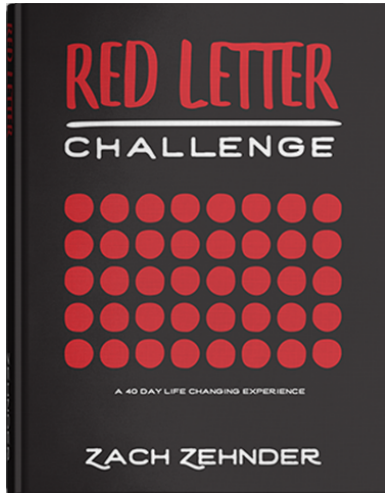

The Adventures of Lewis & Clark Presented by the 4th Grade February 8, 2019

In 1804, the United States, under the leadership of President Thomas Jefferson, commissioned Meriwether Lewis and William Clark to travel, explore and chart the new territories of the Louisiana Purchase. These brave men, and their companions, York, Charbonneau, Sacajawea, along with their trusty dog, Scannon, traveled up the Missouri River, over the Rocky Mountains, and down the Columbia River, all the way to the Pacific Ocean. Their remarkable story comes to life in this clever musical!

We hope you were able to come and enjoy this wonderful musical performed by our 4th grade. Thank you to everyone who helped with lights, sound, video, set and concessions! Thank you Mrs. Gina Wilson for your wonderful direction!

REDEEMER HOME GROUPS KICKING OFF THE WEEK OF MARCH 3

Redeemer is starting a new ministry called Home Groups. They are groups of 8-12 people who meet in each other's homes to read the Bible, pray, and encourage each other on the journey of life and faith. Many of the things Jesus asks us to do are difficult: forgive each other, love your enemies, admit your failures and sins, put God and other people before your own wants and desires, and the list goes on and on! These things are very challenging, but they are also the path of joy, peace, and love. In order to put the words of Jesus into practice, we need the power of the Holy Spirit, and the encouragement of close friends that we love and trust.

That's what Home Groups are all about.

There will be at least 12 Home Groups meeting from March-May, and they will all be using a resource called the "Red Letter Challenge." It's about putting the words of Jesus into practice.

Everyone will get a book that has a short daily devotion for 40 days, which will serve as the source of group discussions. You can see the first of the seven videos by clicking on this link....

If you are interested in being a part of a group, please email Beth Schult at bschult@redeemerministries.org and she will get you placed in a group.

HEALTHY HEART WEEK FEBRUARY 11-14, 2019

We were thrilled to have representatives from the cardiology department at Stanford share their expertise with Redeemer students for the 11th year during our annual Healthy Heart Week. The students learned a lot about their hearts; including anatomy, function, and the importance of exercise and nutrition. They created art work to share with surgery patients as an Art from the Heart project. Thank you to Terra Coakley (Jack's mom) for leading and organizing this wonderful event. Thank you to all of the experts from Stanford for volunteering their time to educate us!
